School Run Efficiently

Mr. Robert E. Miller, principal

Mr. Robert E. Miller, principal, and Mr. Donald E. Sell, staff assistant, make up the administrative staff at Kekionga.

Mr. Miller's activities are many and varied since his coming to Kekionga in 1964. He oversees the care of the building, supervises instruction, and handles discipline.

Mr. Donald Sell became staff assistant in 1965. He helps students in career and educational planning and counsels students having personal problems.

Our efficiently run office is comprised of Mrs. Martha Hursh and Mrs. Rosemary Goldman. They handle all business concerning the school—requests, financial affairs, correspondence.

Mrs. Martha Hursh and Mrs. Rosemary Goldman, secretaries.

Mr. Donald E. Sell, staff assistant.

by These People.

H. Dennis, W. Thompson, K. Madinski, H. Archbold, L. Steup.

The custodial and kitchen staffs help to keep Kekionga clean, neat, and running efficiently.

The custodial staff was headed by Mr. Donald Cummings until his resignation on March 10. Serving as engineer is Mr. Hollie Dennis, and aiding the custodians by cleaning the rest rooms, locker rooms, and drinking fountains is Mrs. Lois Steup.

Managing the kitchen and staff is Mrs. Evelyn Dennis. She helps the other cooks prepare the food and clean the kitchen. Mrs. Dennis and the other cooks receive menus from the Central Office and order the food, after which they prepare it in an appetizing manner.

Evelyn Dennis, Eleanor Gray, Lenora Stoller, Dorothy Gillette, Dorellyn Grodrian, Lois Mangona, Jeanette Fuhrman. Absent from Picture was Bonnie Lahrman.

Students Advised on Future Occupations

The second annual career day had as its theme, "Highways of Life." Speakers from twenty-seven occupations were presented. The people from each of these occupations talked to the ninth grade students about the requirements, responsibilities, and satisfaction of their profession.

ACADEMICS

Warriors Eager To Develop Talents.

This year Miss Dorothy Hills has added many new and interesting events. Art is a requirement for one-half a semester in the seventh grade and is offered as an elective in the ninth grade. New projects for this year include ceramics, puppet making, field trips, and guest speakers.

Industrial Arts is required for one semester in the eighth grade and is offered as an elective in the ninth. The projects in these classes range from drafting and wood working, to electricity, plastics, and leather works.

Home Economics is a course which is required for all eighth grade girls for one semester and serves as an elective in the ninth. The girls in this class make in-depth studies on child care, foods, and nutrition. The eighth graders are required to make a pan holder and a skirt, while ninth graders try their hand at making a dress.

Miss Hills gives her students a knowledge of the many ways to make and design ornamental objects.

Mrs. Bradburn helps her future homemakers to become better equipped to handle the jobs of the housewife.

In industrial arts, the boys learn to make themselves useful in coping with household repairs.

In this picture Dave Glant and Rosemary Savage display the resourceful collections contained in our biology rooms.

Science and math are two of the basic subjects in which all Warriors must participate.

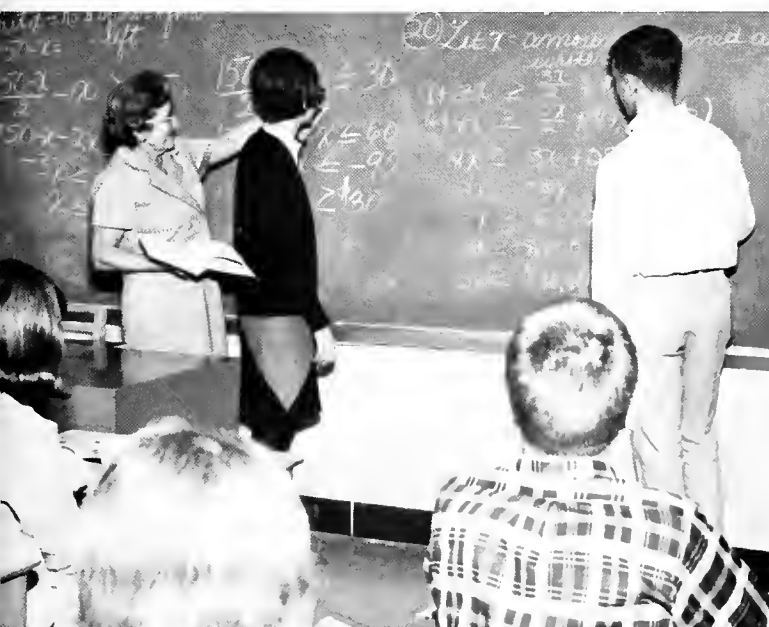

As a seventh grader, the student takes one semester of science; whereas eighth graders study it for two semesters. The ninth grade student must choose between biology and general science.

General science is an introduction to all the sciences. It includes some chemistry, biology, geology, and the laws governing science. Biology students study organisms and their functions. Most students find dissections particularly interesting.

The new math has been in the Fort Wayne Community School system for the last two years. Students enjoy this math since they learn the reason for taking the steps as well as solving the problems.

Students Study Science and Math

Judy Fitzpatrick and Dennis Dietzel watch Mrs. Howenstine illustrate how to solve an inequality.

Warriors Learn Español, Francais, et Latina

Latin students master their language by doing exercises from their text book Mrs. Sipe also uses games such as Latin Bingo and Train (a Latin spelldown) In this picture, Mrs. Sipe listens as Ted Jaworsky recites his lesson.

Mrs. Minnie tried to give her students a general knowledge of French Her lessons include the speaking and writing of French Her students receive a small French magazine called "Bonjour" which introduces new words and a little French slang.

In Spanish, emphasis is placed on conversation. Mrs. Swinford uses only Spanish while speaking to his pupils and he expects his students to answer him in Spanish. A typical class period is shown at the left

Warriors Learn Geography, Reading

Mr. Kleinschmidt looks on as a student gives a report to the students in his geography class. Mr. Kleinschmidt is a student teacher.

Mr. Deputy aids two students as they learn to use the S.R.A. Lab in Developmental Reading class.

One of the required subjects in the seventh grade is Developmental Reading. During the year of reading, students, learn to read rapidly and to understand what they read. In this class, students use the S.R.A. Lab and study newspapers.

Another required subject is social studies. This is taught for a semester and half. Students become better acquainted with the countries of the world. One-quarter of the year is spent on Indiana history.

Health and Gym Strengthen Warriors

Dave Kaplan points out the right auricle of the heart as Mr. Charles Lippe watches

The Warriors believe in the maxim, "A sound mind in a sound body." They try to reach this goal in their physical education, health and safety classes. Mr. Carl Mosser, Mr. David Kleinschmidt, and Mr. Daniel Howe teach the boy's gym classes, while Mrs. Nancy Mertz teaches the girls.

The boys participate in flag football, basketball, and volleyball in season. They also run cross-country in the spring and fall to build endurance. They build strength through calisthenics and improve coordination.

The girl's classes work-out to the rhythm of music. Keep-fit exercises make the girls healthy and attractive. Volleyball, basketball, and soccer round out their agenda.

The health and safety classes, taught by Mrs. Doris Coblenz and Mr. Charles Lippe, are devoted to informing the students of the complexities of the human organism. Here the Warriors learn what makes them tick. The last ten weeks of these classes are spent showing the students the rules and regulations needed for safe driving.

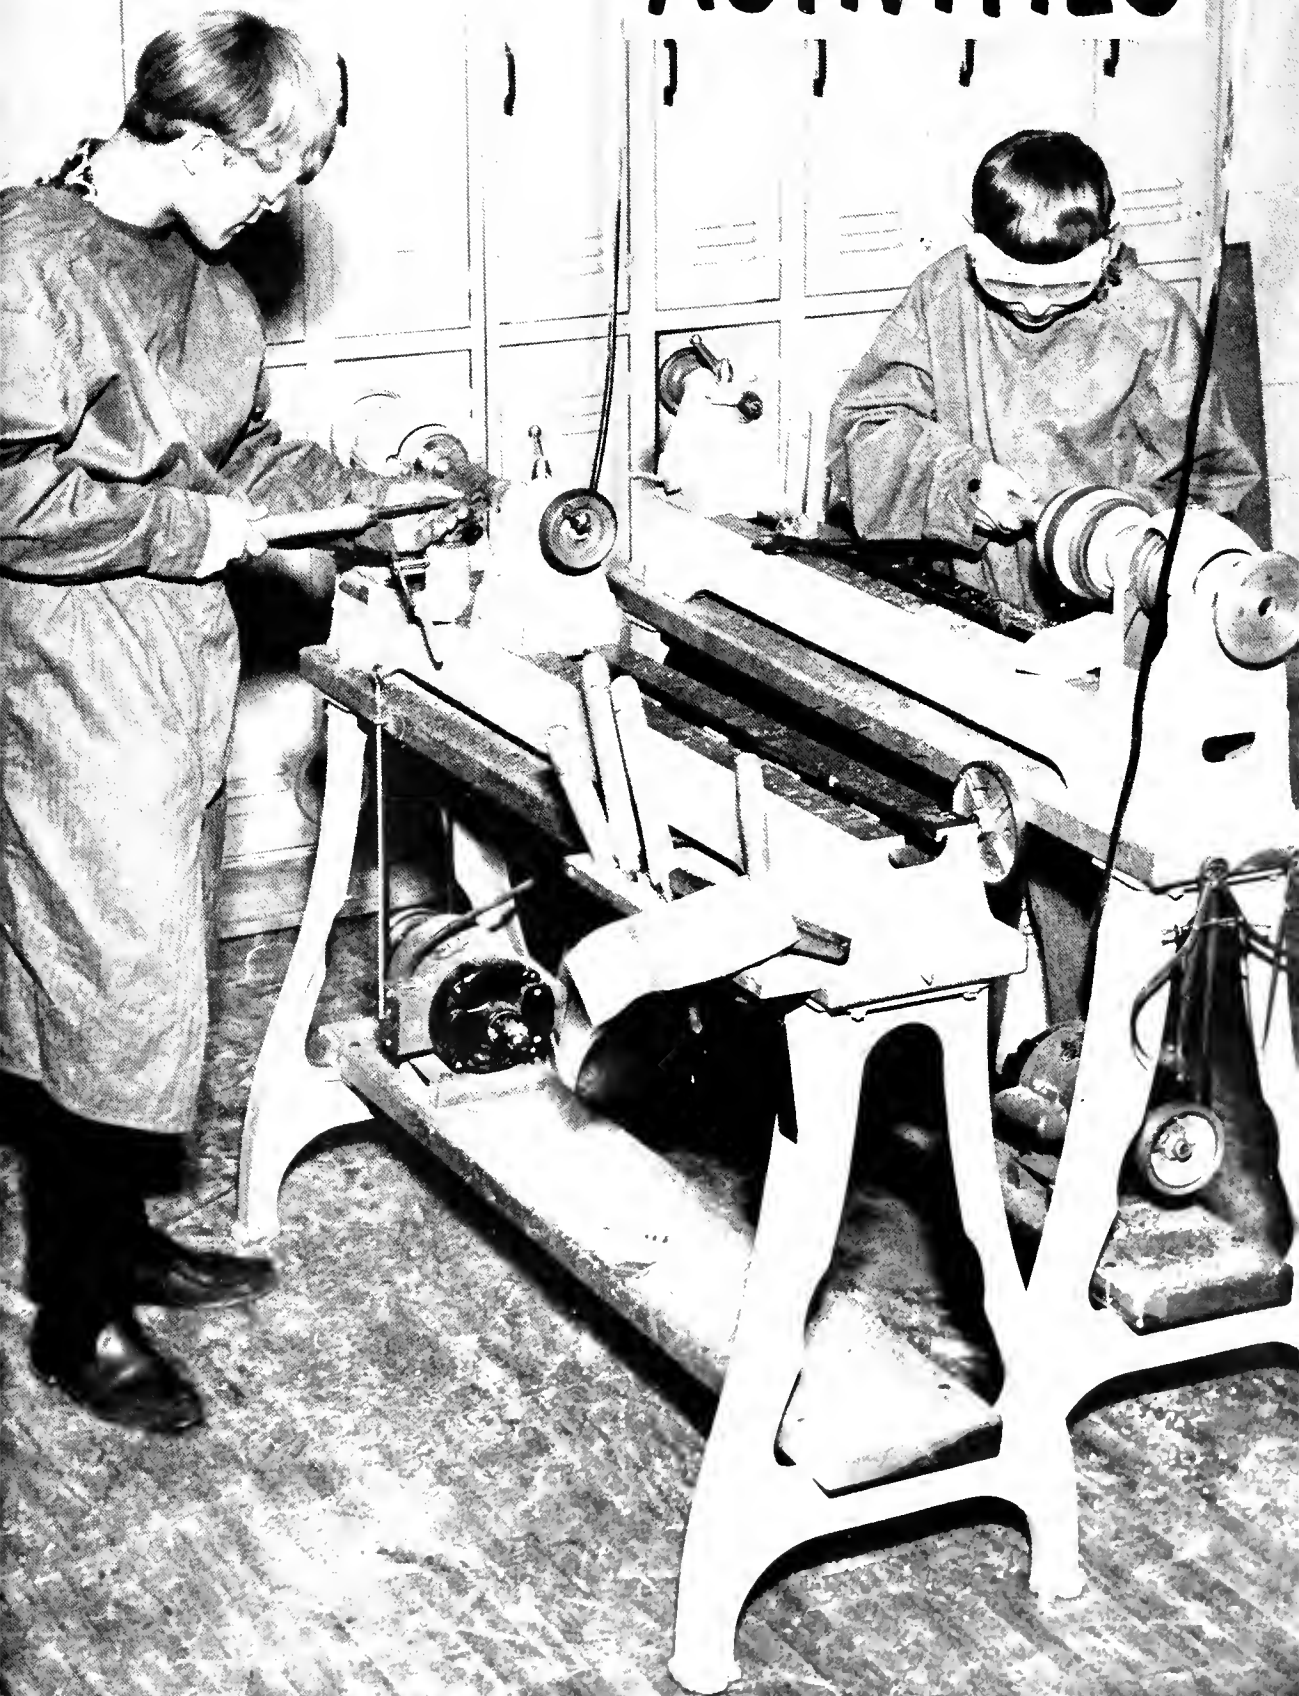

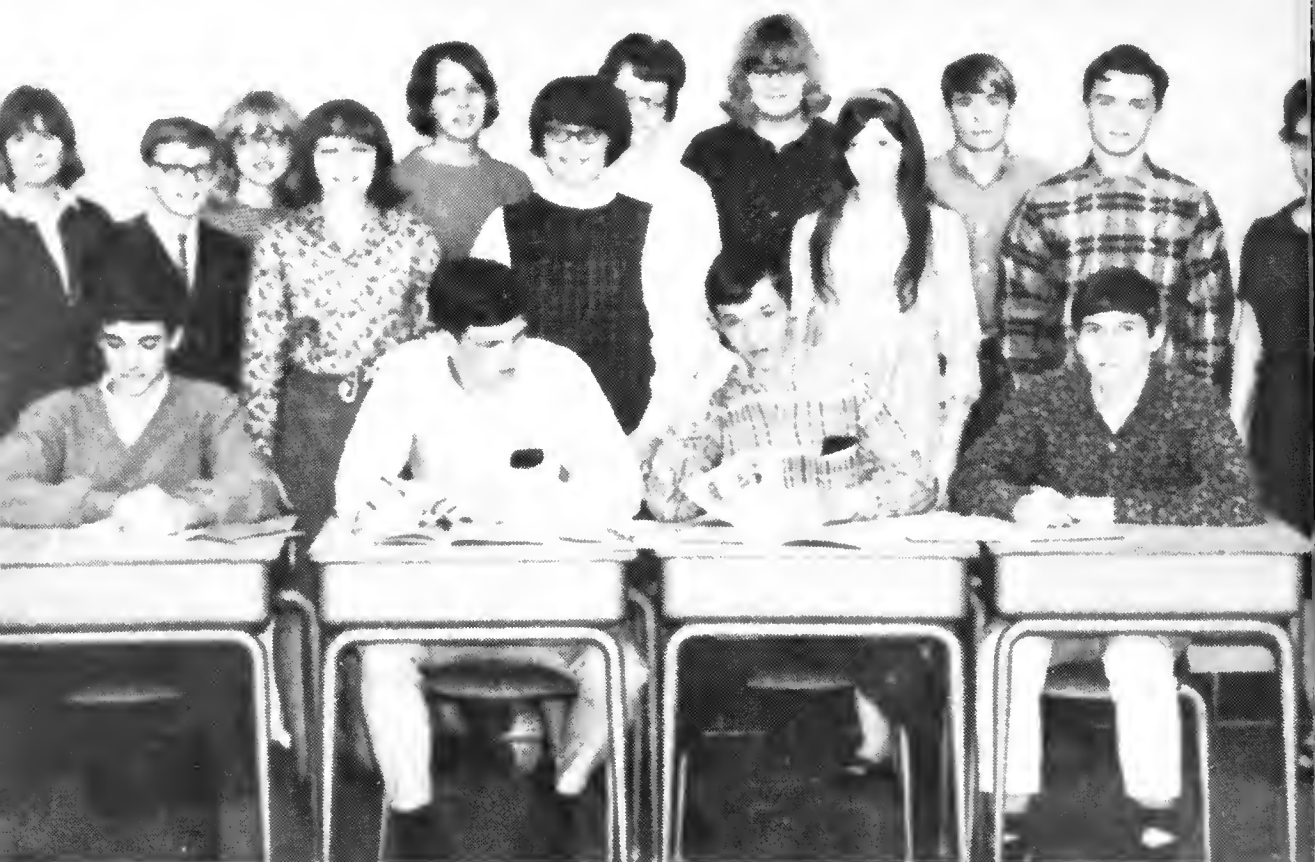

Warriors practice basketball.

Mrs. Nancy Mertz explains the correct use of the balance beam.

Yearbook Staff Preserves Memories

This year the yearbook staff worked very hard to bring you this annual. Most of the copy was completed during the second semester.

Brett Able, as editor, and Mike Quance, as assistant editor, guided the staff in selecting photos, writing copy, and planning lay outs.

Glenn Hunt handled the business end of production.

Brent Kline designed the unusual cover.

Alan Fleek assisted the staff by taking candid shots of school activities.

Many hours went into planning the 1966-1967 Tomahawk. We hope you will enjoy it.

Literary Magazine Proves Tops

Smoke Signal, our fine literary magazine, is sponsored by Ron Wichern. It is divided into two editions, winter and summer. It consists of the best literary works by students during the school year. These articles are chosen by the staff. Poems, short stories, and essays are in the Smoke Signal. Members of the staff work hard to produce an excellent product. Each edition costs 15¢. Each cover for the Smoke Signal is designed by Larry Van Horn and Brent Kline draws the amusing illustrations. Editor of the Smoke Signal change with each issue.

Two years ago the Smoke Signal was started, and has grown in quality ever since. Mr. Wichern first conceived the idea and put it in motion. Today Kekionga is the home of the only Jr. High literary magazine.

Council Governs School

The Student Council, Kekionga's student governing body, elected by the student body, sponsors welfare products, organize assemblies, especially Teacher's Recognition Day, and dances.

Helping the school in every way they can, meetings are called once a month and as often as needed. They meet during the school day. Officers are Steve Tobias,

president; Steve Hall, vice-president; Glenn Hunt, secretary; Jim Hansen, treasurer; and Lynn Mansbach, parliamentarian.

Booster Club is an organization directed by the cheerleader. Mrs. Howenstine is faculty consultant.

Boosters Boost Spirit

Attending the games in white blouses, Booster Club members present an image of unity. They learn school cheers and boost our school spirit.

Members of Booster Club are given priority when purchasing tickets for tournament games. Without them our school spirit would be less organized.

During the year, the club sponsors socials.

Typing, Library Workers, Y-Teens

Miss Glass trains some future workers in the library profession.

Y-Teens is a branch of the Y.W.C.A.

Every day, girls forfeit their study periods to work in the library. They learn to file cards; they learn bookkeeping skills.

In typing club, students learn the proper way to type. They meet every Thursday.

In Y-Teens, girls learn to get along with their fellow man. They sponsor dances, bake cookies, and offer punch to the Armchair Club, a group of senior citizens.

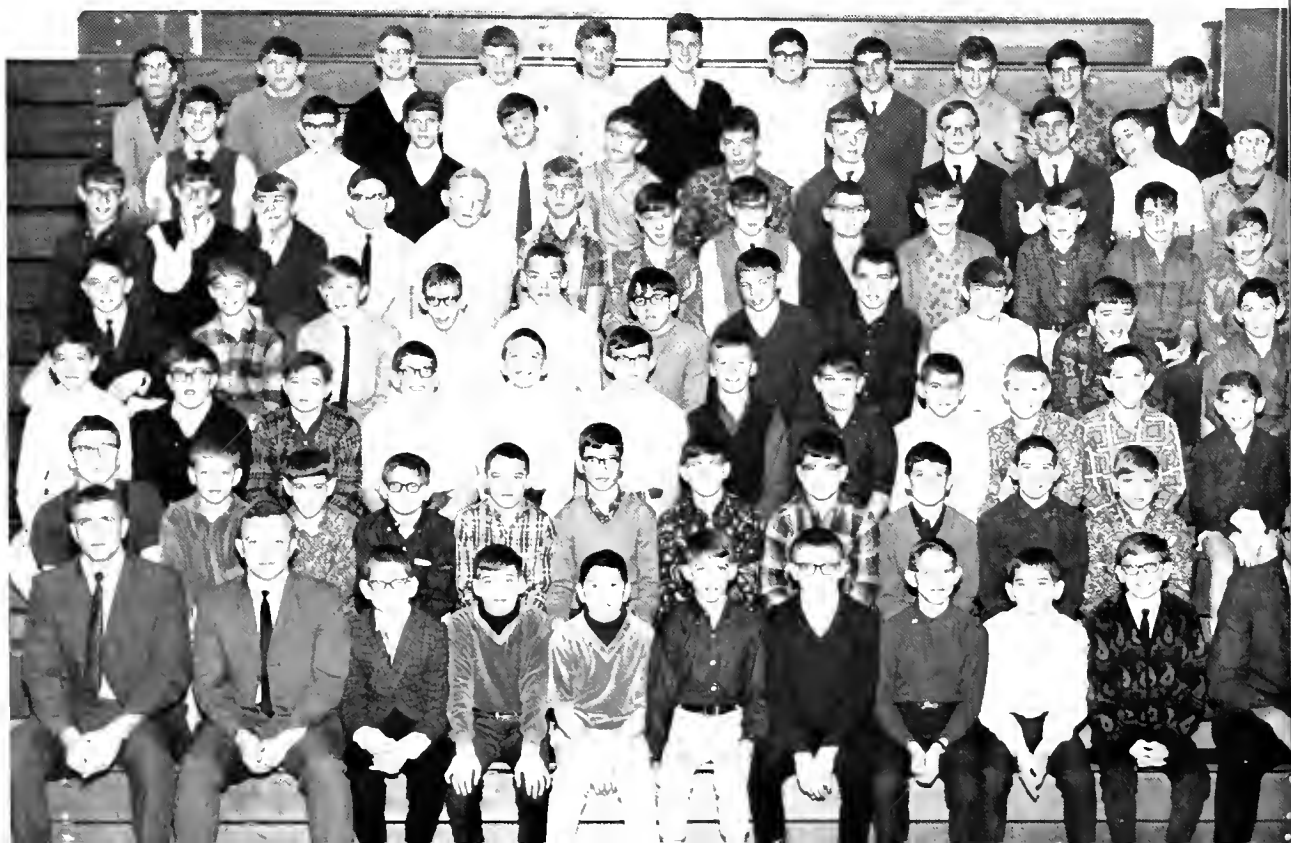

Girls' Intramurals, sponsored by Mrs. Mertz, gives the girls a chance to improve their coordination in all sports.

Physical Fitness Stressed

Boys' Intramurals, sponsored by Mr. Lappe, Mr. Howe, and Mr. Schwartz, gives the boys not competing in athletics a chance to

compete with each other. Intramurals meets for 7th and 8th grades every other week and every Tuesday for 9th graders.

Class of 70 Wins 1st. Varsity Championship

On September 22nd, the Warriors traveled to Northside for the jamboree. The Warriors played the second game with Fairfield and won 9—0. They played again in the last game against Central and beat them 7—0.

The next game was with Northwood where the Cardinals were beaten 21—7 on our gridiron.

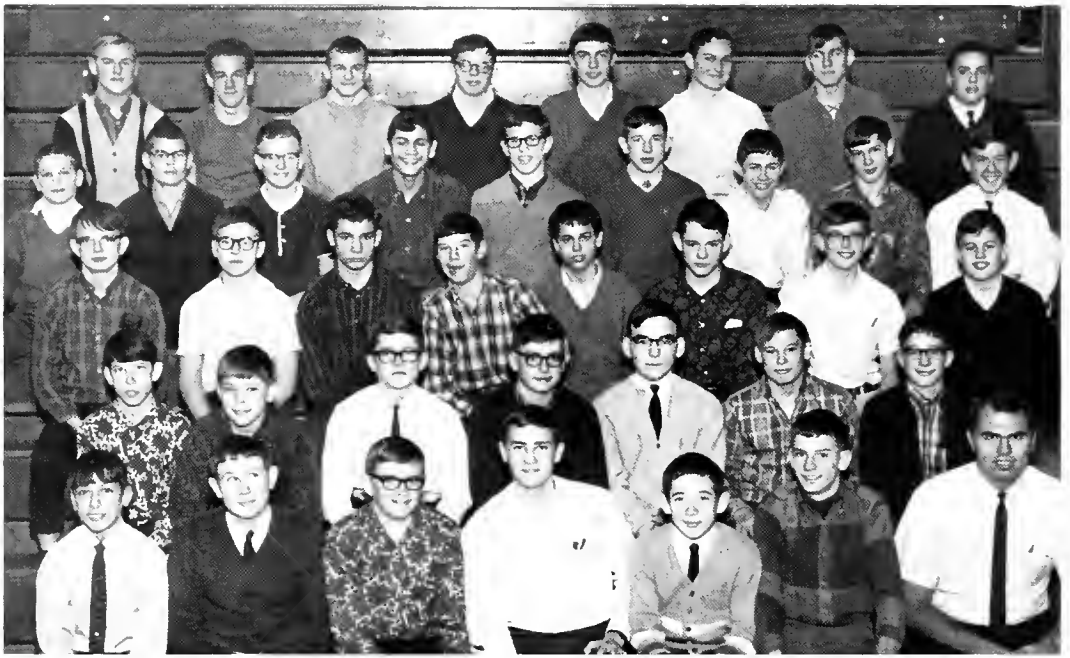

On October 6th, the Warriors traveled to Geyer and the Blazers were defeated 20—12. October 13th found our team at Geyer again. This time we defeated Harrison Hill 18—0.

On October 20th, the Warriors played Heritage at home because Fairfield had forfeited. Although coach Mosser substituted frequently, our Warriors won 47—12.

Next, Memorial traveled to Kekionga to be handed a defeat; the final score was 25—7. Due to a snowstorm, the Weisser Park game was cancelled.

On November 8th, the Warriors were again at Northside to play Lakeside in the Championship game. The Warriors kicked off on a 4 inch mud base. There was no scoring until the 2nd quarter on a pass from Steve Tobias to Brett Able from the 25 yard line. Rog Bellis ran the extra point to make the score 7—0.

Our team again kicked off at the start of the third quarter, but the Lancers couldn't score. There was no scoring in the third quarter, but the Warriors scored in the 4th. We won 13—0.

Reserves Bid for Honors

This year our eighth graders did a fine job of representing Kekionga in all of their games. They finished the season with a 4—1—1 record. They played second in their division, just behind Weisser Park. We are very proud of our eighth grade boys.

Coaching our team to victory this season were Mr.

Howe, varsity basketball, and reserve football; Mr. Moser, varsity football and wrestling; Mr. Wichern, cross-country, track; Mr. Schwartz, reserve basketball, and seventh-grade football; and Mr. Jacobs, seventh-grade basketball. Giving of their own time, they helped our school achieve its best year in athletics.

7th Graders Carry on Tradition

The 1966-1967 football season turned out very well for our 7th grade boys.

In their first game the Warriors played the Portage Rams in a close game and won 14—13.

Their second game was with Ben Geyer and won by a score of 9—0.

In the last game of the season the Warriors were defeated by the Weisser Park Owls, 19—6.

The basketball team had an excellent season with

a record of 2 wins and 4 losses.

Varsity Crowned Twice in One Year

Kekionga's varsity started with a loss to the Central Tigers. However, undaunted by their defeat, they came back in the Kekionga-Lane game to beat them soundly. Led by Brett Able with 20 points, they tallied up a score of 43 to Lane's 28. Then journeying to Concordia they came back defeated despite their excellent efforts. From this game on, Kekionga's mighty team walked on nothing but the road of victory. At Franklin the scoring again was led by Brett Able with 21 points. They defeated Franklin 51—32. At Luers, Kekionga led all the way to come up with a 35—22 victory. Steve Tobias led the varsity squad with 11 points. Playing at home in front of their Warrior fans, they trounced Hoagland 44—22. Rick Seitz led the scoring with 13 points. The Warriors, on their home court, gave the Harrison Hill Hawks a big defeat. Beating them with the huge score of 67—40, and adding another victory to their growing list. The Warriors were led by Brett Able

whose 19 points contributed to the score. Journeying to an enemy court Kekionga handed Northwood a defeat. Playing the last game before tourney on their home court, they gave their fans a real thriller. With the game's outcome uncertain until the last minute. However, Kekionga came out on top, 46 to Weissers 41.

Kekionga's first opponent in the freshman tourney was Franklin. The mighty Warriors won over the tough Franklin Chiefs, 51—46. Brett Able led our victorious Warriors with 19 points. Then the Warriors eliminated Northwood with a score of 34—20. Steve Stiffler was the high scorer adding 16 points.

With 8 seconds to go, Able scored a free throw to beat Central 35—34 in the semi-finals. Able led with 19 points. The Warriors beat Lakeside to win its first varsity crown, 32—27. Able scored 16 points.

After the tourney, Kekionga beat Fairfield, Geyer and Portage.

Reserves Beat in Semi-Finals

Kekionga's fighting reserves started the season right with a 31—27 win over Central's tigers. Rogers led the scoring with 10 points.

The Warriors played the next game away at Lane. At the buzzer Lane was on top 41—33. Buzzard was high scorer with 16 points.

Our team left Franklin's court defeated 30—21.

When the Warriors played Harrison Hill, the Hawks came out on top, 51—36. Rogers was our high scorer with 16 points.

Kekionga was downed by Northwood 35—32 and

Fairfield 48—19, but then they came back to beat Geyer 38—32.

Portage barely escaped defeat 57—51, but Kekionga came back after drawing a by to beat Geyer's Blazers on our court. Scoring reached 27—2 at the half, and the Warriors finished on top 49—22.

Coach Schwartz took his team to Franklin in the semi-finals, but the Chiefs came out on top 48—33 after a thrilling game.

We should be proud of our reserves and their coach for their efforts this year.

Harriers Run to City Championship

1966—it was a very good year for 9th grade runners. They started early training, worked hard, and stayed ahead of all city cross-country teams. Dan Koonce, with Dave Gericks close behind, pushed Kekionga on to finish a perfect season record of 11 wins and 0 losses. 7th and 8th grade runners also worked hard and helped the team to finish CITY CHAMPS!

The scores for the following meets were:

Opponents	
Lakeside	36
Geyer-Franklin	40-38
Lane	36
Village Woods	35
Franklin	37
Championship	33

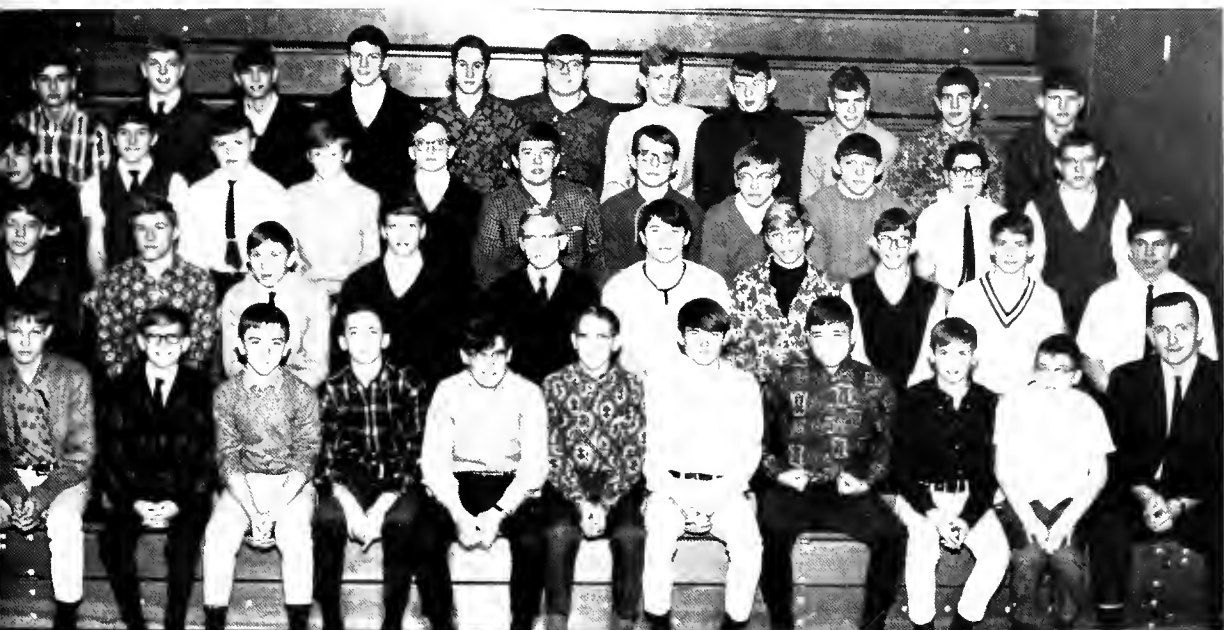

The track record board is shown being constructed by G. Parrish, B. Kline, Coach Wichern, and K. Ryan

New Asset to K.J.H.S.

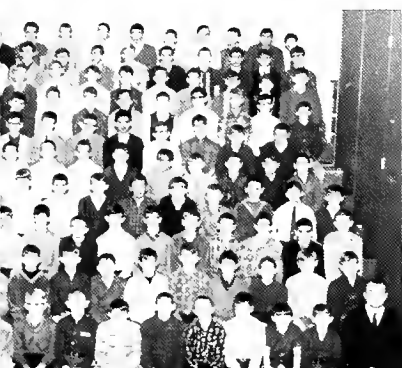

The Kekionga Track Record Board is one of the newest additions to our great school. On it are listed the best accomplishments of our athletes in the seventh thru ninth grade. Some of the records set by our boys were:

Glenn Hunt—Broad Jump 17'8"
Skip McKinley—Pole Vault 10'2"
Brett Able—High Jump 5'2"
Glenn Hunt—100 yd. dash 11:00
Brett Able—880 2:08.8

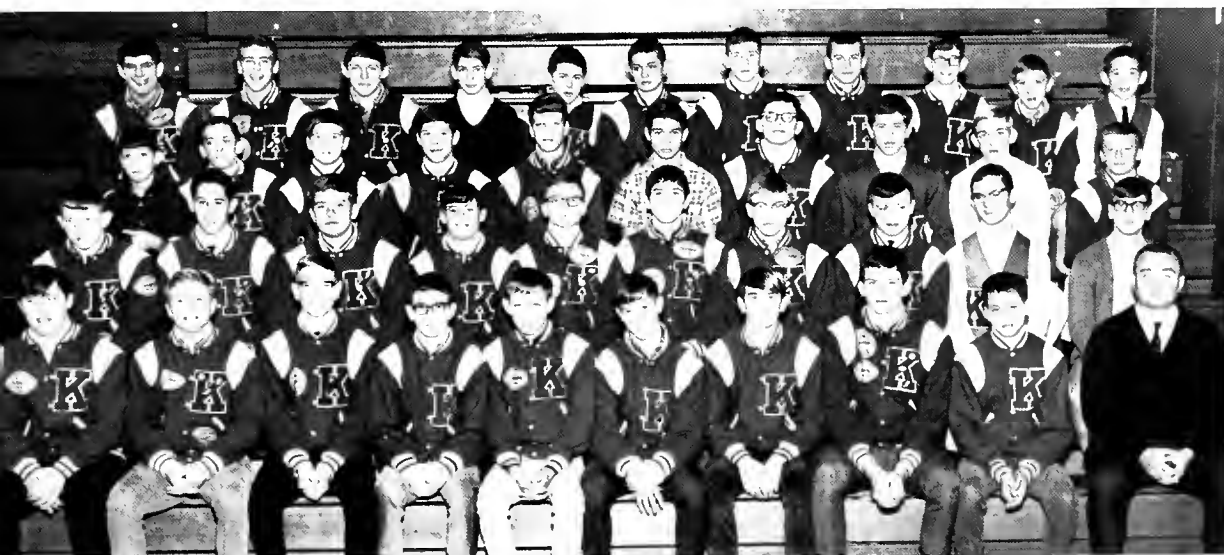

Track Promises Championship Results

The track team promises to bring us another championship, and the outlook is very good. We have several promising runners, with Steve Tobias and Dan Koonce running the mile, and Brett Able running the half-mile. Skip McKinley continues to show his outstanding ability in pole vaulting, and Steve Stiffler and Glenn Hunt are entered in high jump and broad jump respectively. Coach Wichern has the boys practicing every night before and during track season. Let's keep our fingers crossed and hope for another "Class of '70 trophy."

Our 8th graders also show promise. They too practice every night and are looking forward to when they can participate in the North Side relays.
